17 November 2017

Values

Our exploration of resilience was postponed this week to allow us to think about all of our school values as part of anti-bullying week. The Anti-Bullying Ambassadors led assembly on Monday and children have completed activities throughout the week to learn more about bullying and ways to make sure it does not happen.

1FE Expansion

The builders have been very busy this week: the new area of shared playground (MUGA) has been completed today and the children will start using it from Monday at morning break. The steels for the new North End block have also been erected and the walls are starting to appear. In addition, the foundations for the extension to Sound End have been laid today and the children have once again enjoyed watching the diggers and mixers at work!

Year 3 Nativity

The Year 3 children have started rehearsing the nativity this week and will be bringing home today a slip outlining what costume needs to be supplied by parents. Please can all costumes be sent into school in a clearly named carrier bag by Monday 27 November. Thank you.

School Council

Thank you to everyone who has already supported the children by donating sponsorship money - we are already halfway to our target of £2500. The children completed their circuit challenges this week and all further donations can be paid via ParentPay until 1 December.

After School Activities

Please note that there will be no school-run after school activities next week (tag rugby, cross country, netball, football, dance aerobics); street dance and karate will be on as usual. Clubs will resume the following week. NB All after school activities will have their final sessions for this term in week beginning 4 December.

PTA

The PTA met this week and welcomed a new batch of volunteers - thank you to everyone for your support! The next meeting will be held at school on Thursday 11 January at 7.30pm and all parents are welcome to attend. In the meantime, watch out for information on the ever-popular Christmas hamper raffle which will be sent home on Monday via your child. We are also planning to run a pop-up tuck shop outside school at the end of term as well as a variety of activities for next term.

Home Time

Please ensure that young children are closely supervised whilst waiting for older siblings. There have been a number of incidents recently where young children could have hurt themselves or others outside our school gates.

Letters Sent Home This Week

WOW Launch (whole school via email)

Learning Update (whole school)

CHRISTMAS SHOPPING NIGHT

Christmas on The Manor

*Under a starlit marquee on the Manor Waste
from 4pm - 9.30pm Friday 24th November*

Celebrity chef Brian Turner CBE said: No2's Christmas shopping night will showcase some of the Chilterns best producers and shops. Make sure that you are "Ready Steady" for the 24th of November. The event is in support of The Medical Detection Dogs. Make room for great artisan hot foods and lovely Christmassy cocktails and beers to enjoy on the night!

Live music, food for all including free tastings. Pop in to No2 for a free coffee with this flyer* to find out who's coming and more...

*valid until 23/11/17
