Values

This week we have continued to celebrate the fact that we are all different. Children were asked to consider what it might be like if we created a new school - 'One-Look Junior School, Where Everyone's the Same!'. We agreed that this would be a very boring school to go to. We also thought about how we sometimes wear a 'mask' for different reasons: sometimes we act confidently when we are nervous, appear happy when we are sad or try to look like others to fit in. We thought about how we can help and support each other so that no-one feels the need to wear a mask.
