Values

The 4Rs have certainly been lived out across the school this week - not least in Year 6. Thank you to everyone in supporting them as they completed their SATs. I am sure that the Y6 children will be reflecting today as they begin their preparations for the end of year production.

Fidget Spinners

Ironically, the device that was marketed as increasing concentration is actually proving a distraction for many children. Therefore, children have been asked to leave their fidget spinner at home from now on. Thank you in advance for your support in this matter.
