Hot Meals

Please click on the link below which will navigate you to a questionnaire on the re-introduction of hot meals for pupils.

We look forward to receiving your responses, which will help us evaluate the uptake of interest from parents.

Closing date for responses – Sunday 14th November

Well Done

We were delighted to receive the following feedback from staff at John Hampden School:

“We were very impressed with your anti-bullying ambassadors today. They delivered a brilliant assembly, speaking clearly and confidently. Our Year Two’s benefitted from hearing the important messages they shared.

We look forward to seeing the JRSOs (Junior Road Safety Officer’s) presentation tomorrow to speak to our Years One and Two pupils.

PE Kits

Now that the weather is getting colder and wetter, please make sure that your child brings in a FULL PE kit including layers (i.e. tracksuit top and bottoms) plus outdoor trainers. We also suggest a plastic bag to carry home wet clothes and shoes.

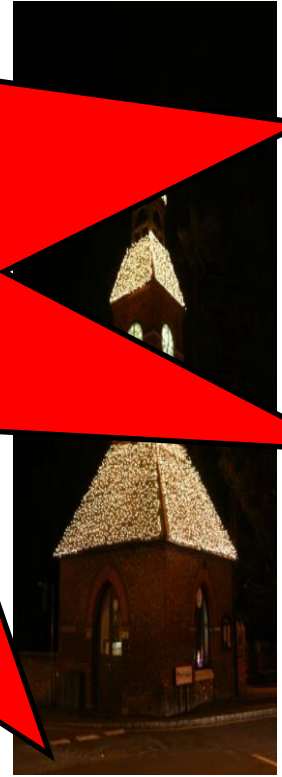

PE takes place in all weathers, so please ensure your child is warm and dry. PE lessons are part of the curriculum and pupils will be expected to take part in all sessions, unless a letter has been received from a parent detailing the medical reason.

PE Lessons are as follows : **Year 3 Wednesday morning**
Year 5 Wednesday afternoon
Year 4 Thursday morning
Year 6 Thursday afternoon

What materials have you got lying around your house that you could use to make a bauble ?

COP26

Over the past two weeks, children have learnt about COP26.

Today they took part in the Forest of Promises, making their own personal promises to help climate change and also asking world leaders to make certain promises. These have been hung in the trees outside school this afternoon.

If you work with an environmental company or charity and would like to be involved with our Climate Action Plan, please contact the School Office, we would love to hear from you.

Q & A's

As part of improving communications, we will be including a regular page in the Newsletter to address non-urgent questions raised by parents during the week, rather than sending individual emails.

Question: Is there an update on school meals?

Answer: Yes. As we communicated previously, a survey is available for you to complete by 14th November, to help us plan for hot meal provision once more. Once we know the demand, we will be able to proceed further.

Question: Have you set a date for the Year 2 transition visits?

Answer: We are currently working on COVID safe measures to welcome prospective Year 2 parents to the school and will announce a decision/date by the end of next week.

Contacting the School

We strongly encourage the sharing of information between school and home. Class teachers are often at the school gate and are happy to engage in short, positive conversations. Confidential matters or concerns should be emailed to admin@wendoverjunior.co.uk; your email will be passed to the relevant person who will usually respond within 48 hours. Please do not use eSchools to message teachers.
