Collective Worship

Awe and wonder has continued to be our theme this week, with a look at the human brain. We compared it to the fastest super-computer and to the brains of other living creatures. We gave thanks that we are able to make decisions in our lives and, although we might not think as fast as a super-computer, we are able to empathise with others.

Lost Property

With the onset of some warmer weather, we now have a large collection of unnamed cardigans and jumpers in our lost property box. These will be available outside school next week - please do come and have a look for any missing items. Please can we remind you to ensure that all your child's belongings are clearly marked with their name.
