24 February 2017

Values

This week was spent reviewing Resilience. Mrs Shyvers led collective worship on Monday and asked us to consider what achievement really means. Can you actually achieve without showing resilience and effort? What is more important - gaining a certificate or medal, or knowing that we have done the best we possibly can? On Tuesday we thought about the many things we have learned about Resilience: we have to keep trying and bounce back, have a good idea of what we want to achieve, be adaptable and learn to celebrate our achievements along the way.

Health & Safety

Please ensure that young children are closely supervised whilst awaiting their sibling to come out of school. To reduce the risk of injury, young children should wait away from the school gate. Children should not be riding scooters or bikes on the pathway leading to the school.

Move a Mile for Martin

25 March 2017
Coombe Hill
Buckinghamshire
11am

Come along and Move a Mile for Martin! Martin, from Aylesbury, has limb girdle muscular dystrophy and after taking on 14 Move a Mile challenges last year, he wants everyone to get involved and join him on his favourite walk.

The highest viewpoint in the Chilterns, complete with a fully accessible route and free parking; Muscular Dystrophy UK would love to see you there!

Registration is £2.50 for children, £5 for adults and £10 for a family ticket!

Muscular Dystrophy UK
Fighting muscle-wasting conditions

Muscular Dystrophy UK is the charity for 70,000 people living with muscle-wasting conditions. We make a difference today, by providing vital information and support to help people live independently. We make a difference for tomorrow, by accelerating progress in research and driving the campaign for access to emerging treatments.
