## House Points – Spring Term

**Bacombe: 3320**

**Boddington: 3145**

**Coombe: 3585**

**Haddington: 3825**

Children earn house points for many different things throughout the week. This includes effort in their endeavours, living the school values and making a positive contribution to our community.

### Collective Worship

We have been thinking again, about how important curiosity is. Children were asked to consider what they would like to find out this week and how they will go about this. Achievement assembly today celebrated the efforts made by the children for World Book Day. Congratulations to all those who have participated in the Cross Country, SEN Panathlon and Netball this week, and thank you to the Eco club for achieving the bronze eco award for the school.

### Staffing update

We are delighted to announce that we have appointed a new school business manager. Mrs. K smith who is well known to all staff and children and is already in post.

### Out and About

Highlights of this week include the construction of Stonehenge in biscuits, a visit from Rabbi Zvi, multiplication games, finding out about life in a Victorian workhouse and the start of fantasy quest writing.

### Coronavirus

We continue to remind everyone in school to wash their hands frequently and to catch, bin and kill germs by using tissues if coughing or sneezing. If you have been in contact with anyone from a restricted area and you or your family have on-going flu-like symptoms including a fever, a cough, or difficulty breathing, then please contact NHS111. For further information, please click on this link

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

### School Council Fundraiser

A reminder that the School Council's next fundraiser will be raising money for the Australia Wildfire Fund to help animals injured in the recent bushfires. This is on Friday 13th March and children will make a koala card to give to a friend or member of their family in exchange for a £1 donation. If you have an old newspaper then please ask your child to bring this in ahead of the day.

### STEM Day

Next Tuesday, we are holding a STEM day for the whole school. The children will be designing, building and testing a model home that can withstand flooding. We would therefore appreciate children bringing in any 'building' materials they may wish to use, such as: cardboard, plastic containers, plasticine, lolly sticks, straws, etc. There will be a winning design from each year group.

### School Uniform

Please remember that the school uniform policy requests that haircuts should be moderate, ie no shaved sections or patterns.

## School Emails

This week we have experienced some technical issues with our email provider, this has now been resolved.

## Reminders

45 Class Assembly is on Thursday 12 March at 9am.
