Values - Resilience

We began our week with a special assembly all about our new 'WOW' walk to school initiative when we had a visit from Strider, the Living Streets mascot. We are encouraging children to walk to school at least three times a week so that they can earn a WOW badge each month. For those who have to be brought by car, please 'Park & Stride', ie park at least 10 minutes from the campus and walk the rest of the way, so that your child has the opportunity to participate. We will be launching another walk to school initiative after Christmas and the children are all invited to submit a drawing about road safety for entry into a competition. All entries must be returned to school by Friday 8 December.

Book Fair

Thank you to everyone who came along to our Book Fair this week - we have earned £1098 in commission which will be used to purchase books to support class work. Congratulations to Thea W, Ruby C, Daisy G and Georgia A who won the 'Wonder' writing competition, run in conjunction with the fair, and who were able to choose a free book from Scholastic.

Sports Reports

Last Friday Year 6 took part in an inter-house competition which comprised swimming and dodgeball sessions. The children clearly demonstrated the 4Rs, showed excellent team cooperation, were supportive of each other and there was a great sporting atmosphere! Congratulations to Purple House who came first in both events. And huge thanks to Miss Rose, Mrs Beale and the Sports Leaders for organising the afternoon.

PTA Fundraising

If you are planning to do some online Christmas shopping, why not earn some extra cash for the school at the same time? Please click on the link below and every time you shop via one of the available retailers, the PTA will receive commission at no extra cost to you! We already have over 50 parents signed up but would love to increase this number. Thank you for your support.
