9 February 2018

Values

In Collective Worship, we have been thinking about our responsibilities. On Monday, the School Council introduced their fundraiser in aid of Cancer Research, reminding us that we all have a responsibility to help others. We were also pleased to welcome Remco from Wendover Free Church who shared the story of Moses and the Israelites; Moses had a huge responsibility and faced many setbacks before ultimately prevailing.

Online Safety

As part of Safer Internet Day on Tuesday, the Digital Leaders shared important information about how to treat each other with respect online. They were keen to stress that online communication can easily be misinterpreted as we cannot hear the person speaking or see their body language. Also, people sometimes write things online that they would not say in person. As ever, we were all reminded to stay vigilant and be aware that not everyone is who they say they are. Parents are asked to closely monitor their child's use of social media, including any communications through online games, such as ROBLOX.

Uniform

Half term is a good opportunity to check that uniform fits and is named. Please remember that all children are required to wear black school shoes, not trainers or boots, and long hair (girls and boys) must be tied up at school with a plain band.

Mobile Phones

Should your child need to bring their phone into school, it must be turned off whilst on site. Children should carry it in their bag or pocket and put it in the box provided in North End as soon as they arrive.

Girl Guiding and Scouting – Thinking Day

Thursday 22 February is 'Thinking Day'. This is a chance for children to think about guiding and scouting around the world. Members of the Brownies, Guides, Cubs and Scouts are invited to wear their uniforms to school on the 22nd to mark this occasion.

Hot Meals

The new hot meals menu is now live on ParentPay and can also be viewed on the school website. Please order by midnight on **Wednesday 14/2** for first week back after half term.
