Values

During national road safety week, we have thought about responsibility. Through collective worship and PSHE we have explored our responsibilities for keeping ourselves and others safe. We have also thought about how we carry out our responsibilities and how this affects others.

Inter-House Cross Country Competition

On Tuesday 29 November we will be holding our first inter-house competition of the year - cross country. The children are invited to bring an item of Christmas clothing to wear while they are running eg antlers, jumper, t-shirt, or even a tinsel wristband! The item must be small enough to fit into their locker and be something that won't impede their running.

Personal Items

There are a growing number of personal items being brought into school, such as cuddly toys and trading cards. As these items often mean a great deal to children and can cause friendship issues, please ensure that they are not brought into school. Thank you for your support.

Governor News

We sadly say goodbye to Chris Watts who leaves the governing body this term. Prior to the Junior School, Chris was also a governor at John Hampden amassing over 10 years of service to our schools. We owe him a great debt for his expertise and efforts over the years. Thank you Chris.

We now have a vacancy for a co-opted governor. This would ideally be someone outside the parent body appointed directly by the governing body. If you know someone that might be interested, then please get in touch: tj_fish@hotmail.co.uk or 07525 678710.
