## WCEJS Newsletter 16 October 2020

### Social Distancing & Bubbles

The local authority has issued further guidance for parents regarding social distancing, as this has been a significant issue for some schools. I am really pleased that our community is adhering to the advice as we work together to ensure that drop off and pick are as safe as they can be. Please continue to think about the number of children that are mixing outside of school, particularly where this is outside their year group bubble. We fully realize this is a very difficult time for everyone, but we must do all we can to avoid the need for pupils and staff to self-isolate.

### SEN Update

SEN Support Plans should be with you on Monday of next week.

### PTA AGM

The PTA AGM will take place online on the 21<sup>st</sup> of October at 7pm. A link will be emailed to all parents on Monday with the Agenda. Thank you for your continued support.

### Vacancy for Parent Governor – last chance for applications

There are currently two vacancies for Parent governors on the school's Governing Body. If you are interested in becoming a school governor, please put forward your name on the nomination form emailed to parents. The Governing Body's primary role is to provide strategic support to the school as well as monitoring its performance to ensure pupils receive the best possible education. You don't need a background in education - in fact we welcome people from a range of different backgrounds and professions as the governors review many areas of the school, such as staffing, finance and premises. If you have any questions, you can find out more about the role by contacting the Chair of Governors, Angie Glazier on [aglazier@wendoverjunior.co.uk](mailto:aglazier@wendoverjunior.co.uk).

Please read the letter that accompanies this newsletter. Nominations should be emailed to [admin@wendoverjunior.co.uk](mailto:admin@wendoverjunior.co.uk) by Friday 16 October.

### Flu vaccination clinic:
