Collective Worship

Our theme of awe and wonder has continued with a number of special visitors this week. On Monday we welcomed Robin Sharples, an advisor from the Oxford Diocesan Board of Education, who was very impressed with the children's singing and the message delivered by our worship leaders: you don't have to have evidence of something to have faith. Our peripatetic music teachers performed for the children yesterday and explained a little about the instruments they teach – children very much enjoyed hearing the different instruments played so well. Finally, we welcomed Ezekiel 'Zeeks' Ewolu into school today. Zeeks is an international long-jumper who has competed for both Great Britain and Nigeria. Everyone was in awe of how far and high he can jump and his message was clear – training hard and eating the right things has greatly helped him to achieve his dreams.

Strawberry Fayre

Thank you so much to everyone who was involved in organising and supporting the Fayre last Saturday. The total raised is likely to exceed £3,800 – an incredible amount that will be used to support children in their learning. It is an important reminder about the fantastic work that the PTA do; already this year they have bought new visualisers for each classroom, a second outside table tennis table and scenery flats for our productions, as well as supporting the curriculum. Thank you to everyone who supports the events.

Lunchboxes and Hot Meals

We are a nut-free school and have several children with severe nut allergies. Please do not include any items containing nuts in your child's lunchbox. Thank you for your consideration.

The AiP menu for next term is now live on ParentPay if you wish to order early! Please ensure all orders for the first week back in September are placed **by Wednesday 28 August**.

Hot Weather

Now that summer has finally arrived, a few timely sun safety reminders:

- Ensure your child has a water bottle with them every day – they are able to have these in the classroom and can refill their bottle at breaktimes.
- Apply suncream before school and send your child with their own (named) bottle of cream to re-apply at lunchtime if required.
- Ensure your child has a sun hat with them every day.

Uniform and PE Kit

As we near the end of the summer term, we still expect the children to be dressed in the correct uniform – there are an increasing number of children wearing trainers and other non-uniform items. Please help your child adhere to the school rules.

We also have a lot of children without their PE kit in school: sadly, a number had to miss out on the fitness sessions run by our visitor Zeeks today as they did not have their kit. PE is as much a part of the curriculum as maths and English and it is important that children are able to participate in all lessons.

Finally, if your child has taken part in any sports events this year and has brought home one of our distinctive red and black sports tops, please ensure these are washed and returned to school before the end of term.

School Council Fundraiser – Cancer Research

On the afternoon of Monday 22 July, the School Council will be hosting a Talent Show in aid of Cancer Research. The children will be given more information about this exciting event during assembly next week. In order to support this final fundraiser of the year, we ask that each child brings in £1 on the 22nd in aid of this very worthwhile cause.
