

JRSO NEWSLETTER!

As Junior Road Safety Officers we take part in lots of activities that help us to stay safe and we have tried to help others to stay safe too. Read on to find out more about what we have done so far this year.

JRSO Fun Day

On 5 October, we went on a JRSO fun day trip in Aylesbury to make us the best JRSOs we could be. We learnt about train safety, bike/scooter safety, lorry safety, road safety, crossings and more. We were all able to have a turn at every workshop.

Paige tries 'driving' the lorry while James and Elsie learn about safety around trucks. The workshop is run by GIST who will visit the school later in the year.

Paige and Aston hear about cycling safely and then make pedestrian crossing masks!
Are you a Puffin or a Toucan?

Daniel and Ania learn about the benefits of travelling by bus at the Arriva workshop and then the team travel home sustainably by Chiltern Railways.

Visit to John Hampden School

A few weeks later we went down to the John Hampden Infant School and shared our knowledge with the children. We told them the Super Cat story which involved the Super Cat Rap; it went like this:

*"Super Cat's here so say meow, want to cross roads safely I'll tell you how.
First you stop and look from side, then you listen and think, that's the Super Cat guide!"*

Competitions

We have launched lots of competitions; here are a few: Colour-in-ALLF, Design a Be Bright Be Seen poster, take part in a House Quiz. ALLF Stands for Always Look Listen First. For the colour-in-ALLF competition we had some amazing entries but some really stood out and these were our winners. The Be Bright Be Seen poster competition was hard to judge and we thought everyone deserved a round of applause. Winning entries are on display on the School Travel Plan noticeboard in the South End corridor.

During National Road Safety Week we ran the House Quiz competition in each class with PowerPoint and answer sheets. It was very close and every one tried their best. The winning house was announced today in assembly. The results were - 1st Green House (472 points), 2nd Red House (449 points), 3rd Purple House (431 points) and 4th Blue House (429 points).

We are looking forward to more sustainable travel campaigns in the Spring Term including The Big Pedal 2019!

MAPS

Attached to this newsletter is a copy of our MAPS initiative. Paper copies were issued last year but here is just a reminder of our Active Travel Zone, 10 and 15 minute walking zones as well as recommended parking places.

Wishing you all a very happy, healthy and safe Christmas and, don't forget, **BE BRIGHT BE SEEN!**

ANIA, ASTON, DANIEL, ELSIE, JAMES AND PAIGE
