

Building solid foundations (Mathew 7:24)

# Responsibility

***We take responsibility for ourselves,  
for others and our world.***

*The Good Samaritan*

*Luke 10: 25-37*

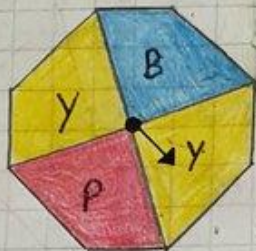

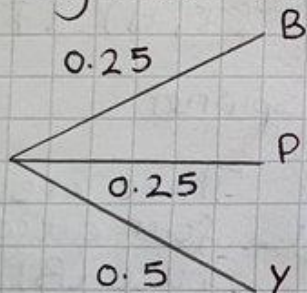

You can use tree diagrams even when the outcomes are not likely equal.

The probability of each outcome of this spinner is showed on the table.

Colour	blue (b)	pink (p)	yellow (y)
probability	0.25	0.25	0.5

There are three outcomes, so draw three branches. Then write the correct probability along each branch.

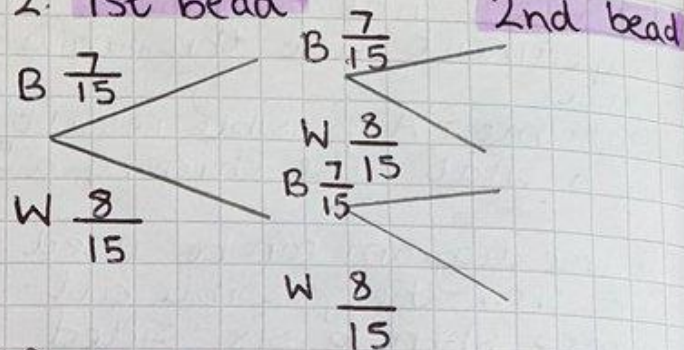

**NOTE:** Remember these decimals could also be fractions or percentages.

$$c) \frac{3}{11} \times \frac{8}{11} = \frac{24}{121}$$

$$b) \frac{8}{11} \times \frac{8}{11} = \frac{64}{121}$$

2. 1st bead

$$b) \frac{7}{15} \times \frac{7}{15} = \frac{49}{225}$$

$$c) \frac{7}{15} \times \frac{8}{15} = \frac{56}{225}$$

$$\frac{8}{15} \times \frac{7}{15} = \frac{56}{225}$$

$$\frac{56}{225} + \frac{56}{225} = \frac{112}{225}$$

**What will you take  
responsibility for today?**

**What would you write on  
your block?**

Dear Lord,

Help us to take responsibility for ourselves and for others. Give us the strength to make situations better by doing the right thing.

**Amen**
