## Values

Our Worship Leaders shared their 'Golden Keys for Life' with us on Monday. These included: be a reflection of what you want to see in others; love one another; be honest; give respect; care for each other; be a good friend; be loyal; praise others; value others. We agreed that these keys can open many doors.

## STEM Week

This week the children have been involved in Science, Technology, Engineering and Maths (STEM) activities. Their task was to design a product, build it and bring it to market, culminating in them presenting their findings to another year group. We were delighted to welcome 4 industry representatives who use STEM every day in their work to share their knowledge and experience; they were impressed with our children's enthusiasm and engagement in the project. Many thanks to Miss Davidson, Miss Nash and Mrs Braid for organising this successful event for the children.

## Summer Fayre

A huge thank you to everyone who supported the Summer Fayre last Saturday! In particular, thank you to the PTA and staff who gave up their time to make this all possible. The overall amount raised was £3075. This will be put to very good use in supporting the education and development of our young people.

## Road Safety

Further to our reminder last week, please take extra care if you have to drive near to the campus. Please also note that authorised drivers only are allowed on to the campus road - please do not attempt to come through the barrier if you do not have prior permission. Additionally, please remember that the fences around our school road are there for your child's safety. Please do not lift children over the barriers and into the road in an attempt to save time - your child should walk on the pavement and find a safe place to meet you.

## Lost Property

Our boxes are overflowing with a vast array of unnamed lost property. These will be outside school every day next week - please come and have a look for any missing items.

### **ANNOUNCEMENT FROM LITTLE ACORNS KINDERGARTEN**

LAK is sad to announce that Gill Holland will be retiring at the end of this term.

Gill has been a strong and dedicated member of the team for many years and was Deputy and SENCO until 2016. Her commitment to children's development has been inspirational to all and we will sadly miss her. We know the children will miss her too, but we all wish her well for her future ventures.

If Gill was a key worker to any of your children, your best wishes and memories would be greatly appreciated to add to a keepsake leaving book.
