30 September 2016

## Values

This is the first week of our new value 'Resilience'. On Monday we thought about tasks that require perseverance and we decided that it is often the first steps that are the most difficult. Noah and the Ark was our biblical inspiration. We were also joined by Rev Skillen on Tuesday who shared the message that Jesus is our anchor in times of trouble.

## School Development

The review of extended learning is almost complete and will be communicated to parents shortly. We have also improved our systems for monitoring behaviour within school.

## Lost Property

A number of children have lost named items which are not in school and we believe may have accidentally gone home with classmates. Please could we ask you to check your children's belongings to see if they have someone else's property?

## Lunchtime Clubs - La Jolie Ronde

Our teachers from La Jolie Ronde have asked you to ensure your child has their French or Spanish book with them every week. A reminder to attend the club on Wednesday (Spanish) or Friday (French) morning would also be helpful!

## Letters Sent Home This Week

Year group welcome letter and curriculum overview (whole school)

## Reminders

Y5 Space Day - donations still welcome for next Friday's exciting visit!

## Diary Dates
