Values

We have explored the different ways that individuals can make a difference to the lives of others through finding out about the work of people such as Gandhi. Children have thought about how their simple actions can support others within their family and community and how they can 'shake the world in a gentle way'.

The children also enjoyed a relaxation and meditation assembly this week, led by Anita and Victoria, local experts in wellbeing and mindfulness for both children and adults.

WOW/MAPS

Thank you to everyone who has been supporting our new walk to school initiatives and taking the time and effort to make everyone's journey to school a safer one. It is lovely to see the children proudly wearing their monthly WOW reward badges. This morning saw the official launch of MAPS, and the children were excited to meet Strider and ALLF, the walk to school mascots, on their way up the campus road! Please look out for photos and articles in forthcoming editions of Bucks Herald and Wendover News.
