29 June 2018

Collective Worship

This week has seen us thinking about just one of the many wonders that God has provided us with - the rainbow. Becky joined us from St Mary's Church on Tuesday and created a rainbow in a jar. She explained the meaning of the colours. Our indoor rainbow has remained on the prayer table in the hall for children to see.

Safe Scooter & Cycling

It is lovely that so many children are able to travel to school by scooter and cycle. We want them all to remain safe and to minimise the chance of accidents. Unfortunately there have been several near misses recently when children have been scooting on the road. In addition, a 3 year old child was knocked over this morning by a cyclist riding on the pavement between John Hampden and WJS. Please can you remind your child of the following safety rules, which we will be reinforcing during next week's assemblies:

- Cyclists must ride up the campus road or dismount and push their bikes up the path.
- Children riding scooters at peak times should dismount at the campus entrance and push their scooters up the path; they must not scoot in the road or weave between pedestrians on the pavement.
- On arrival at school, cycles and scooters must be stored in the racks provided and not ridden around the waiting area.

Letters Sent Home This Week

Spanish theme day and disco (whole school)

Production costumes (Y6 only)
