**Tel:** 01296 696822

26 May 2017

## Values

As we approach Pentecost we have been thinking about how difficult it is sometimes to communicate. Whilst we may think that we are making perfect sense, the message may not be understood by the audience. Although the disciples were given the gift of speaking many languages, their task of spreading the word of God was still a difficult one. In light of Monday evening's events in Manchester, we thought about the importance of spreading love and the lessons that Jesus taught us.

## Parent Survey

Thank you once again for completing the annual parent survey. The return was very positive with 50% more parents completing a return than last year. The provision for extended learning scored much higher this year than last and we will continue to develop this area. Additionally, we will be developing the feedback that parents receive so that you can effectively support your child's learning (please remember to complete and return the comment slip on the annual report to help us do this). As ever, if you have a concern then please talk to us so that we can work together to further improve our school.

## Parking

A letter regarding parking outside the Memorial Hall was sent home this week. This follows a number of incidents of inconsiderate parking on and off campus. Please be advised that we will report incidents to the police where we feel that children's safety is affected or members of staff are abused.

## Reminders

MUFTI day/bring a bottle for PTA Summer Fayre - Friday 9/6

Y4 Shortenills final balances due by TODAY
