Values

In our final week considering our value of Reflection, we have thought about the light that shines within us. How do we reflect God's light on to others? Children were challenged to think of some small actions they could take to share God's love.

School Development

Further improvements are currently being made to our assessment system. We have designed our own system around the learning objectives we use every day in school. Teacher assessment of Reading, Grammar, Punctuation & Spelling and Maths will be informed by tests that children will complete each term. Short tests at the end of each topic will continue to inform teacher assessment in Science. We will be sharing more details about the 'Wendover Targets' in our Learning Update later this half term. Further to this, suggested improvements for extended learning in maths are being reviewed by our year leaders.

Toys in School

As well as welcoming all the children back to school this term, we have also met a wide range of cuddly animals and toys. Since these animals and toys are precious to our children, we would like them to be left at home, unless they are part of a specific activity at school such as 'show and tell'.

Lost Property

Our lost property box is already full of un-named items - these will be on display outside school next week.

PLEASE ENSURE ALL YOUR CHILD'S BELONGINGS ARE CLEARLY MARKED WITH THEIR NAME - PERMANENT PEN OR LABELS RATHER THAN BIRO.

Letters Sent Home This Week

Wendover walking tour (Y3 only)

Additional data request (Y4-Y6 only)

Reminders

Y6 height/weight check consent - please return by 26/9 latest

21 October Close for half term

Wendover Juniors Football Club – U9's

Wendover Juniors U9's are looking for new players!

We train every Saturday morning at Wendover Junior School playing fields from 10 - 11:30 and play matches most Sundays.

If you like football and want to join us playing against other teams, then come along to a training session.

We aim to make football fun, whilst providing everything you need to become a better player with our FA qualified coaches.

Wendover Junior Football Club operates age groups from U6 through to U18, so if you are in a different age group, get in contact for more details.

Contact **Simon Foulds** at pennysimon@rocketmail.com or 07967 393951 for more details or visit our website at www.wendoverjuniorfootball.org.uk
