Dear Parent/Carer

YEAR 5 SPACE DAY

As part of our current topic on Space, we have invited "Science Discovery Dome" to visit Year 5 on Tuesday 4 October. The children will receive two different workshops during the course of the day including exploring the topic in an interactive environment (inflatable space dome) and these will greatly enrich their learning experience.

In order to cover the costs of the day, we are asking for a voluntary donation of £7.30 per child, payable online via your ParentPay account by **MONDAY 1 OCTOBER**, where you can also give consent for your child to participate. As with all educational visits, contributions are entirely voluntary, however without sufficient parental donations this visit may have to be cancelled for all children.

We are looking forward to an exciting day of scientific space activities!

Yours sincerely

DARYL SLADE
Year Leader
