

Year: 3 Term: Summer 2 2016

Theme for Creative Curriculum: The Romans

Core Subjects

MATHS:

- Number Sense including telling the time, Roman numerals and use of times tables
- Additive Reasoning including column addition and subtraction and solving problems based on money and measures
- Geometric reasoning including measuring the perimeter and area of shapes
- Multiplicative reasoning using written methods for multiplication and division and problem solving

ENGLISH:

- Writing reports about the Roman Army and using the knowledge we have about non-fiction writing to lay these out to appeal to other children
- Writing myths and fables based on Roman stories such as Romulus and Remus
- Writing short scripts for our shadow puppets to perform
- Writing a speech on a subject of our own choice and delivering this to the class

SCIENCE:

- Exploring different sources of light such as the sun, electric lights and flames
- Understanding how light travels including which materials allow light to travel through them and which block light
- Investigating shadows – how they are made, how the shapes vary as time passes and how they were used for entertainment eg puppet shows

Foundation Subjects

RE:

- Can made up stories tell the truth?

Computing:

- Using our communication skills to present data on a computer
- Understanding how to keep safe on a computer
- Understanding what we need to do to keep safe

PSHE:

- Changes – preparing for change and looking at how this can affect us
- Our bodies – naming parts and talking about keeping clean and healthy

History:

- Investigating the Roman Empire
- Looking at the legacy of this on Britain
- Exploring how Roman armies became so successful
- Looking at the daily life of Roman citizens
- Looking at the daily life of Roman soldiers

Geography:

- Researching volcanoes
- Looking at their structure, how they become active and eruptions
- Their significance in history

Art and Design:

- Designing and creating a Roman bag
- Using pastels to draw a Roman pot, focusing on light and shade

Music:

- Exploring pentatonic scales

Spanish:

- Months of the year, colours and parts of the body

PE:

- Learning different track and field skills
- Sports Day

Our Curriculum Drivers

Lifelong Learners

- The 4Rs – Reflecting on what we have learnt about the 4Rs and how this has improved our ability to learn
- Being responsible and playing fairly

Maths & Communication

- Using technology to express our maths and converting this into a variety of formats

Emotional Intelligence

- Understanding our own emotions
- Developing our interpersonal skills with a view to supporting our PSHE work
