**Tel:** 01296 696822

13 January 2017

## Values

This week has been a chance to reflect on the things we are grateful for. We thought about happy and sad times and how we can turn a sad day into a happy day by remembering the good things in our lives, knowing that there is always someone there to help us and give us strength.

## Adverse Weather

Thank you everyone for your support today, ensuring that children were at school on time. Whilst we were able to make our pathways safe the playgrounds were another matter due to a stubborn layer of ice and this morning's snow flurry. The probability of an injury occurring was highly likely, so children remained inside for social time today.

## Gardening Club

Thank you to everyone who bought a bottle of WJS-produced apple juice - we understand it was very tasty! The money raised will be used to buy some seeds and compost for the Peace Garden. Gardening club consists of a very small and committed band of children who are looking for donations of rakes, spades, hoes, forks, plastic pots, seeds and compost. We'd also love an old cold frame or small greenhouse to bring on our seeds, and if anyone had an unwanted lock-up box this could be used to store our tools. Please contact the school office if you are able to help. We hope to run a plant sale at the end of term to raise further funds for developing the garden. Thank you for your support.
