5 May 2017

Values

We were delighted to have Padre David Skillen lead our collective worship on Tuesday morning of this week. Children explored the theme of Jesus as the light of the world before having the chance to compose a prayer.

Parent Survey

Thank you to everyone who completed the short online parent survey recently. The survey is now closed. The results were very encouraging: most questions saw 9/10 parents responding positively (strongly agree/agree) with the remaining questions having 8/10 parents respond positively. We will be discussing the survey at our next governors' meeting and next year we plan to introduce two short online parent surveys each year (October and May).

Internet Safety

The NSPCC has launched an updated Net Aware site for parents/carers. The site, run in partnership with O2, and informed by 1,696 children and young people and 674 parents/carers includes: tips showing how to help your child block or report someone targeting them; a guide to 39 of the most popular social media sites, apps and games used by children and young people including information about new apps like Pokemon Go, Periscope, IMVU, and Live.ly. <https://www.net-aware.org.uk/>

Lunchtime Tennis Club - Years 3 & 4

Coaches from Halton Tennis Club visited us this week to promote the lunchtime activity available to children from Years 3 and 4. Information was sent out before Easter and the club started on 18 April. However, there are a handful of places left so if your child would like to join in from next week, please apply online at <http://everyball.uk/club-venues/aspire-reach-wendover> and HTC will refund the missed sessions.
