Values

This term begins with a focus on Reflection. We have thought about how each of us is different and how God wants us to make the most of our opportunities, aspiring to always improve. We have considered how we are free to make choices and that this often has consequences – sometimes good and sometimes bad. We have also thought about peer pressure and that real friends will allow us to make our own choices.

E-Safety

Further to the information sent before Easter, please be aware of the 'Blue Whale' social media game. We have reminded children about internet safety and the importance of making sensible choices, even if there is peer pressure. As ever, it is important to monitor your child's use of the internet, particularly social media.

Parent Survey

We value your feedback and ask that you spend just a few moments completing this short online survey. Simply click on the link that refers to your child's year group. The surveys will close on Monday 1 May. Please complete a separate survey for each child you have attending the school:
