House Points - Autumn 1

This has been a successful half-term, even though it has felt like a very long one. It has been a very different start to the year and children have coped well with all the changes and restrictions. They have worked extremely hard over the last seven weeks and thoroughly deserve a short rest. We hope that everyone stays safe over half-term.

COVID Update

We have been affected by staff and pupil absence this term and have striven to maintain consistency for pupils through this difficult period. It is highly likely that more people will be absent from school over the next half term as a direct or indirect result of coronavirus. In each case we hope that families are as well as they can be and return to full health quickly. Be assured that we monitor the situation within school daily and seek advice from Public Health England at the earliest opportunity. Please do not engage in speculation, on social media or elsewhere, about absences as this is not supportive to the school community. Thank you to all the community for their efforts in getting us to this point.

Parent Consultations

Our parent consultations will be held online this term on Monday 16, Tuesday 17 and Wednesday 18 of November from 4-6pm. As before, parents need to book a slot with their child's class teacher, using the online portal. More details will be sent after half-term, explaining how to book and join your online meeting.
